

# COMPANY PROFILE

## WHY IBEX

Choosing IBEX BUSINESS CENTER is always the best decision you can make for your business. We've been in this sector since 2018, and our services have helped a variety of companies climb the economic ladder. Our main ingredient in making our office space lively is dynamism.

We provide a range of services to meet the needs of various types of companies. While you concentrate on your core business, we assist you in developing your infrastructure and other operational tasks that are essential for your business to operate effectively.

We give you the chance to associate with other peers from diverse business backgrounds and raise your exposure as a unique player by presenting you to multiple business entities.

## WHO WE ARE

The IBEX BUSINESS CENTER LLC founded in 2019 and is strategically situated in the heart of Dubai, one of the United Arab Emirates' seven emirates.

Dubai's status as a global city and an international business hub that attracts a large influx of expatriates and tourists makes it an ideal location to grow your business internationally, particularly with the upcoming Expo 2020 serving as a catalyst.

## WHAT WE DO

Setting up your new business in Dubai, you need a registered office. We are committed to providing fully-furnished ready-to-occupy business offices for you. Getting a completely developed business center in Dubai is not at all an uphill task with the prompt guidance and on point direction of IBEX BUSINESS CENTER LLC .

We offer services that suit the diverse requirements of your clients.
